Your Name on a Shelf

A fantastic way to support the **Naval Marine Archive – *The Canadian Collection***, the Book Shelf Campaign offers donors the opportunity to make an enduring contribution to our building fund which allows us to display and make available our vast collections of materials at The Victory. *Individual donations* of $100 or more towards this campaign will be recognized by an engraved brass plaque in honour, or in memoriam, of the person of your choice, and a Receipt for Income Tax purposes. *Corporate sponsorship* plaques are also available to businesses and organizations ($500 or more.) The plaques will then be mounted on one of the shelves in our permanent collections; *some choice of location may be possible – contact us to discuss.*
